SPA VILLAGE PANGKOR LAUT

Here, the first breath of inspiration is drawn from the stunning scenery. Paradise itself provides the essential ingredients for all our treatments, and healing lore as old as the land is imparted into every encounter. Promising an experience that honours the healing traditions of the region, each Spa Village delivers an individual and authentic encounter combining the therapeutic properties of natural local ingredients and the healing practices of the area. Coupling these age-old practices together with modern approaches to health and well-being results in a tailored one-of-a-kind experience, delivering award-winning results to our guests. Each Spa Village offers a consistently unique and uplifting opportunity for rejuvenation.

The Spa Village at Pangkor Laut Resort is a unique retreat that extols the healing cultures of the region. Malaysia, with its diverse history of people and cultures, and vast abundance of natural resources, provides the backdrop for health rituals that are amongst the oldest in the world. The abundance of Malay, Chinese and Indian practices makes this the ideal setting for complete rejuvenation. The Spa Village comprises a number of specially built structures designed to facilitate an extensive range of treatments from China, Japan, India, Thailand, Bali and Malaysia. These include eight treatment pavilions, a deluxe Belian Treatment Pavilion, three 'Healing Huts', which include Chinese Herbal, Ayurvedic and Malay Huts, two Bath Houses, three Spa Huts, three Nap Gazebos and a Spa Boutique. 22 beautiful Spa Villas situated over the sea offer direct access to the Spa Village.

Programmes combine physical and spiritual health and well-being, and are based on one of four umbrella concepts: Rejuvenation and Longevity, Relaxation and Stress Reduction, Detoxification, and Romance. For those seeking to fully experience the health rituals of the region, we recommend that you meet with our Chinese, Ayurvedic or Malay Specialist for a consultation at the beginning of your stay. Our comprehensive approach to health will lend helpful insight to your stay at the Spa Village, as well as life-long tools for vibrant living.

CHARTERED LUXURY CRUISES

Two luxury yachts are available for charter should you wish to explore the Straits of Malacca and the surrounding islands. Regardless of whether you opt for a cruise to nowhere or onwards to a specific destination, you'll enjoy breathtaking views and have the option to drop anchor at any point to fish, swim, or laze on deck to soak up the sun.
